Round 1 Report Summary

Because of the non-stop rain the day before, we started with a very wet track. Throughout the day, there were intermittent showers and it seemed as though whenever the track started drying, it would rain again. Nonetheless, it was a great day of racing.

Honda Cadet

It was another round of domination from Teddie Cooper (79) as, for the third round in a row, he took home maximum points. Newcomer, Zac Champney (61) was very quick, took 2nd in the heats and after a rocky start in the final, he made a great comeback to finish 7th. Kevin Ivanov (50) was also new to Club2000 and showed impressive pace, taking 3rd in heat 3 and the final. Lucien Smith (43) was racing hard with anyone who was in his way and managed his first podium finish in the second heat. The fastest lap was set by Teddie (79) - a 53.705 in wet conditions.

Junior Rotax

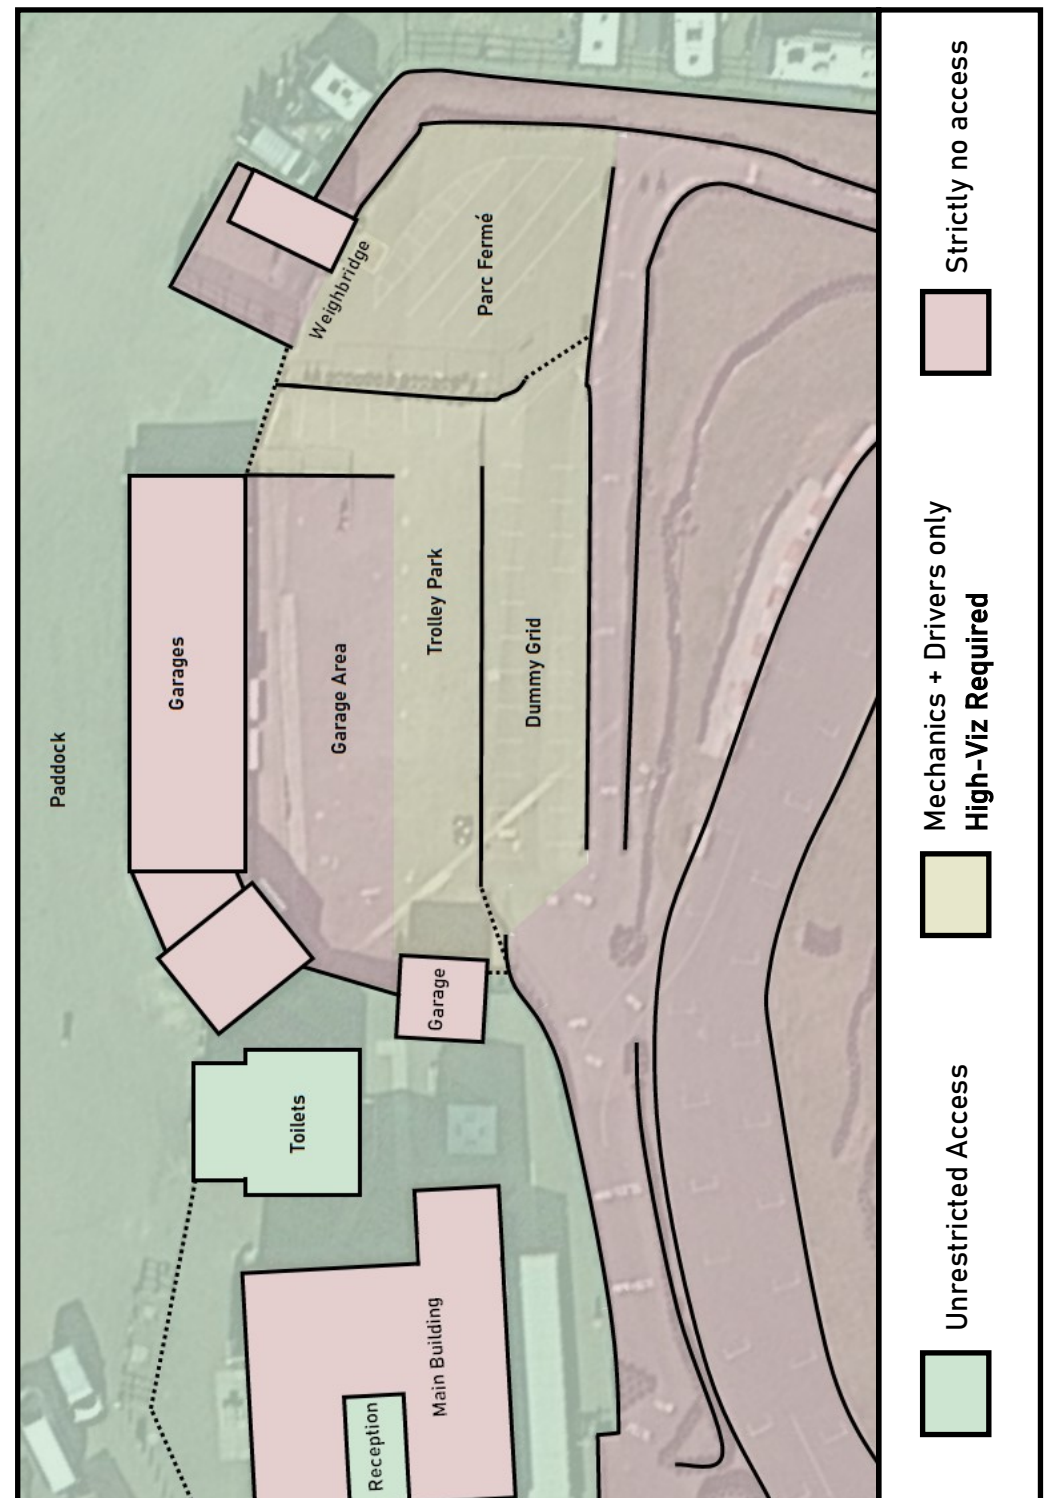

Alex Beale (43) seemed to be in top form this round as he had his first and second ever podium in a Junior Rotax. Seamus Cox (79) seemed quick this round too.

Despite a poor start in heat 2, he managed to redeem himself and didn't concede any positions for the rest of the day. Jenson Weston (34) managed to extend his lead in the championship and reigning champion, Matthew Copsey (97) couldn't quite take any points from him. Along with maximum points, Jenson (34) had the fastest lap - a 49.961 in Heat 3.

Junior TKM

It was just William Briant (97) and Liam Bermoy (27) this round and the pair were tacked onto the back of the Junior Rotax grid. The track was treacherous yet the pair did well to drive cleanly in the conditions. There were a few moments between them but, overall, it seemed like a great day for them. They both found themselves mixed up in the Junior Rotax pack on occasion and both kept the driving clean, consistent and of a professional standard. The fastest lap was set by William (97) - a 56.311 in Heat 3.

Check out the photos:
www.sprocketphotography.com

Junior Prokart

Unfortunately, with only three in attendance, it was a class that lacked much excitement this round. Oscar Coughlan (62) was still getting to grips with his kart this round and the conditions weren't helpful. Even Rocky Clements (23) had a couple of moments on the soaked track. Alfie Campbell (40) set the fastest lap of the trio - a 54.170 in heat 2.

Minimax

It was only Alex Chlebiej (7) in a Minimax this round and the novice got a lot of practice in for when he's hopefully joined by a bigger grid in the future. Apart from a couple of moments, Alex (7) drove well and was consistent throughout the day in the challenging conditions. His fastest lap was set in the second heat - a 58.921

Report Summary Cont'

Senior Rotax

Another Formula270 regular, Jenson Holloway (3) joined Club2000 this round and with his track knowledge, I'm sure it's only a matter of time until his pace is podium worthy. Stuart Smith (92) took away maximum points for the first time this year and was mostly unchallenged for it despite a drop-down penalty he picked up in heat 3. James Saville-stones (51) and Josh Twitchen (25) had some proper close battles but kept it totally clean all day. Occasional entrant, Adam Forrester (18) had a good day too, despite a bit of a moment in heat 2. Stuart (92) set the fastest lap in heat 1 - a 49.661.

Senior Rotax 177

Rob Reeve (15) returned to his usual pace this round after a rough time last round but it didn't come without some difficulty from Nick Aitken (21), especially in the dying stages of heat 2. Also towards the end of that heat, Sam Yaxley (97) and Jamie Allen (34) had a great, clean battle for the last 3 laps. They both drove well for the rest of the day too, until Jamie's (34) day was cut short by a dropped chain in the final. Rob (15) had the fastest lap and set it in heat 3 - a 49.907

Can you take the 0 plate?

For our May double-header, we have teamed up with AIM Racing to bring the annual AIM Races to Club2000.

You can enter into the AIM Races, after our Finals, for just £20. The grids are set by your total points throughout the day at Club2000.

Total points from both days combine to decide the winner of the 0 Plate
