Round 10 Report Summary

The weather was typically British - It was grey and overcast all day. Coming up to the late afternoon, there was some very light rain until the last race where it, unsurprisingly, came tumbling down.

Honda Cadet

Joshua "Bomber" Smith (E) returned to Red Lodge this round wearing his E plate after winning the English championship. We had a bigger grid this round with a total of 8 Cadets racing. Joshua (E) took the fastest lap of everyone with a 46.721 set in heat 3. Logan Howes (56) returned to Club 2000 after a very long hiatus and proved he still knew the track well, taking 3rd twice - ahead of championship leader, Will Rogers (53).

Junior Rotax

A bigger than usual plume of smoke was spotted from the back of Anthony Ward's (33) Rotax and after qualifying, it was suspected that the head gasket had gone, unfortunately resulting in no racing for the driver. Sam Cooper (44) was very aggressive in all the right ways, putting pressure on anyone ahead. Cameron Pottle (7), Adam White (13) and Euan Richards (29) were each having some good battles too which were a pleasure to watch. Sam (44) also set the fastest lap with a 40.975 in heat 2.

Junior TKM

Oliver Bowen (55) drove very well and hauled maximum points. Luke Bate (95) had a good couple of battles including an amazing dash to the line at the end of heat 1. He also managed to set the fastest lap of everyone with a 41.973 in heat 2. The rain in the final took all the drivers by surprise but they managed it well on their slick tyres and fought hard until the end.

Junior Prokart

For the third round in a row, William Bloom (56) took home the maximum points available, closing the lead Reece Bright (27) has for the championship. It was very close between Alfie Wilkes (22) and Cassidy Beeton (66) all day with the pair getting a little too close and both picking up B/W warnings. William (56) set the fastest lap in the final as he was fighting Reece (27) - a 44.575s.

Report Summary Cont.

Senior Rotax

Formula270 regular, David Duncombe (46) joined us this round looking to get acquainted with his new Rotax. Stuart Smith (92) took home full points and even pulled off a last to first finish in heat 3, taking the lead in only 3 laps. Matt Davey (9) was also quick and was having great battles with anyone in his way including Lewis (64) who had found some pace in the final with the track slightly damp. Stuart (92) also set the fastest lap of all with a 40.219 in heat 2.

Senior Rotax 177

The competition was fierce this round, especially with Lloyd Bell (100), David German (3) and Sam Yaxley (97) in attendance. With 16 drivers on the grid too, there was close racing for everyone. Novice, Peter Smith (22) put in a great performance, all the way up until his unfortunate retirement in the final. Jamie Allen (34) suffered from some bad luck with a couple of spins and a retirement in heat 3. He gained some ground in the final, starting 12th and climbing up to 9th. Lloyd (100) broke his own record again today 4 times in a row in the final finishing with an incredible 40.254s lap.
