Round 1 Report Summary

The weather didn't seem to put a damper on the day as we welcomed some new and old faces to Club 2000 for the first round of 2022. From the morning, the rain seemingly got heavier and heavier up to lunch. When we returned to the track, it had stopped although the track remained wet. At the beginning of the finals, not only did the rain pick up, but the wind did too, resulting in some quality off-track entertainment as we saw a group of people trying to tame a wild gazebo.

Honda Cadet

Out of the 12 entries, we had a grand total of 8 novices this round - some of which had raced with us before. Many of the drivers struggled getting used to the wet track in practice but for qualifying, they began to hone it in. 2021 Champion, Teddie Cooper (79) was quick and was quite unchallenged, taking home maximum points and taking the fastest lap in each race - the quickest being a 53.255 in the final.

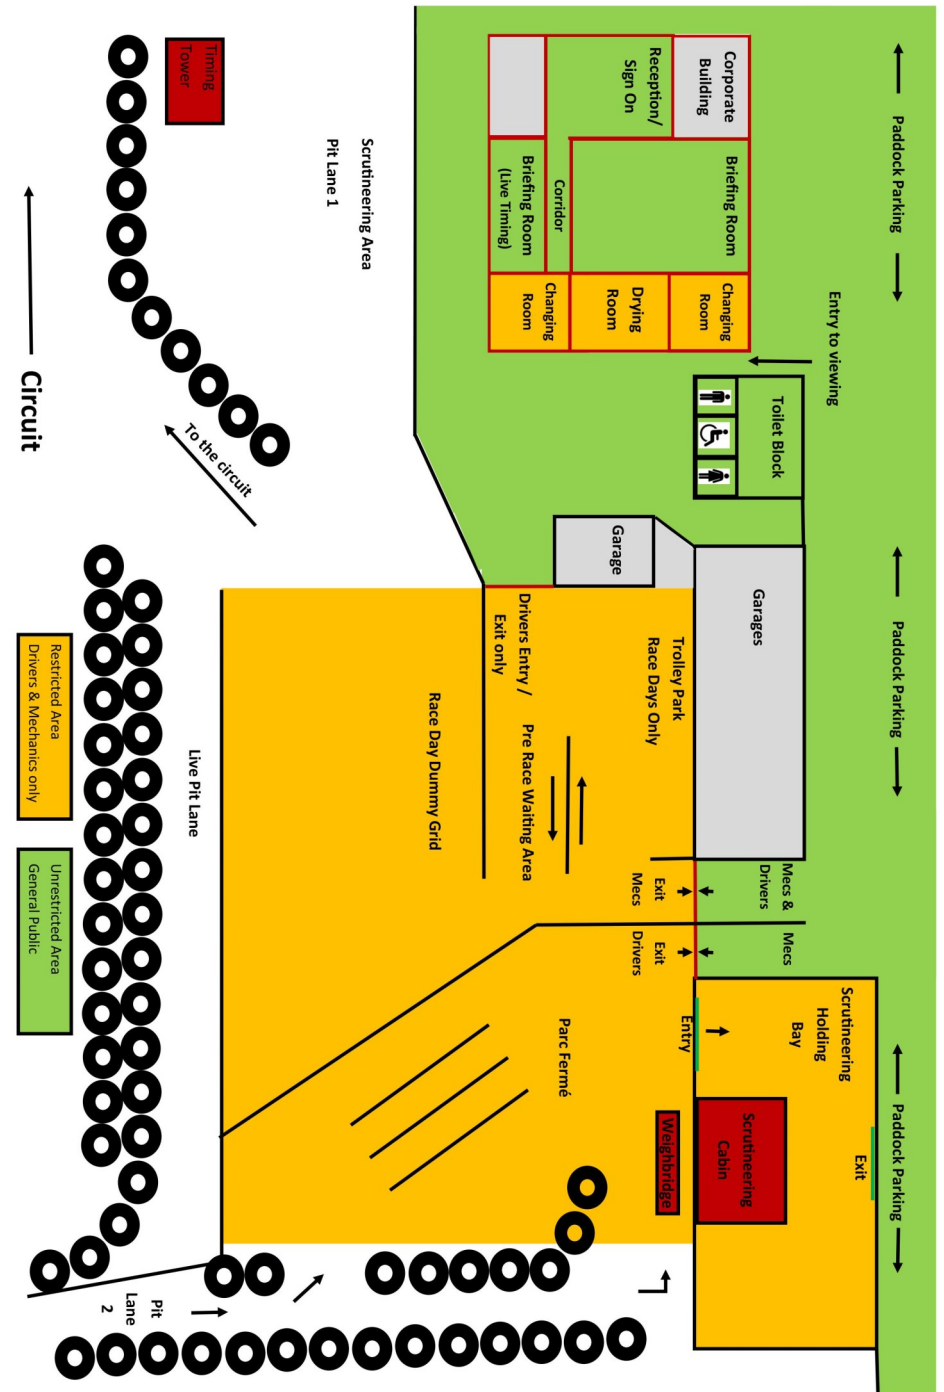

Junior Rotax

Many of last year's drivers stayed with us for this year and as expected, Alex Beale (43) has had his Minimax restrictor taken out to be promoted to Junior Rotax. Euan Richards (29) started off the year strong with, I believe, his best round so far in his Club 2000 career - a quadruple 3rd place finish. 2021 Champion, Matthew Copsey (97) was challenged by a strong-looking Jenson Weston (34) but ultimately came out on top, with Jenson (34) ending the round just 4 points behind. Jenson (34) set the fastest lap however - a 49.559 in heat 3. Cameron Pottle (7) also started the year well, driving aggressively in all the right ways.

Junior TKM

Many of last year's Junior TKMs didn't return for round 1 this year, leaving us a pair of evenly-matched drivers, William Briant (97) and Liam Bermoy (27). The duo drove together at the back of the Junior Rotax grid and they both challenged each-other well although many of their battles were broken up by blue flags. For next round, we hope to see more drivers to allow the grid to race alone. William (97) took home the most points but Liam (27) set the quicker lap time - a 55.259 in heat 3.

Prokarts

After a year of racing junior rallycross, we saw the return of Alfie Campbell (40). He took time to hone his pace in but once he did, he was quick. Jeremy "Iceman" Lock (72), named for his cool and collected driving style, returned to Club 2000 too but this time, in his Senior Prokart. Harvey Cursley (44) started the year with great pace and had three 1st place finishes. After seemingly struggling a bit with his kart in the morning, Alfie Wilkes (22) also picked up some decent pace and put himself into 2nd in every race.

Report Summary Cont'

Senior Rotax

Many of the usual competitors returned this year including last years champion, Arundel Hughes (24). As usual with the Seniors, there was some great, close racing from everyone. Stuart Smith (92) looked particularly strong even with his string of unfortunate events in the third heat. Harvey Hollick (55) was quick too, winning heat 1 and 3 against a very competitive grid. The fastest lap was set by Stuart (92) while he was pushing to make his way to the front in heat 3 – a 49.654.

Senior Rotax 177

Last year's Champion, Rob Reeve (15) was mostly unchallenged this round, taking away maximum points. Almost everyone else on the grid was having great battles at some point in the day - Even Club 2000 veteran, Tony Cohen (23) had a competitive rival that matched his easy-going pace. As usual with the 177s, the races were almost always busy and a great sight to see. The fastest lap was set by Rob (15) in heat 3 – a 49.420 on the last lap.
