DID NOT FINISH (DNF). Any driver that takes the start will be given points from the position as stated in the race result. Exceptions to this will be if a driver has been disqualified after receiving **a black flag**. No driver is allowed to work on their kart on the circuit, not even to replace a chain. Any driver who continues to race after any repairs have taken place on the circuit will be black flagged.

Only Club members will score championship points.

DROPPED POINTS. At the end of the 2026 season, there will be **two** dropped rounds from the overall points i.e. 1 x non-attendance or 0 round & 1 low scoring round. November's round will be a compulsory scoring round towards the championship in 2026

DISQUALIFICATION FROM A MEETING CANNOT BE USED AS A DROPPED ROUND

EQUAL POINTS. At least 6 rounds in any one year must be completed to enable a driver to become eligible to win a championship trophy. In the instance of a driver completing 5 rounds or less, the question of eligibility will be at the discretion of RLK Ltd. In the event of a tie for any of the final Championship positions at the end of the season, the advantage will go to the driver with the highest number of race wins. If these are equal, the decision will be made on the driver that has accomplished the highest scores in the most rounds that all drivers were involved. If there is still a tie, the driver with the highest score in the last scoring round that all drivers were involved will get the final decision.

TROPHIES: All classes are awarded a minimum of 1st – 3rd place providing the class has a minimum of 3 drivers competing.

TROPHIES REFERENCE LARGE GRIDS

When a class is divided into an A and B group then TROPHIES ARE ONLY AWARDED TO THE A GROUP from both final race results

Only Club 2000 members are eligible to score points in the championship.

Any memberships renewed by 31 January will also be able to score the January round.

Participants who become a member after the 31st January will be able to score from the first round following their membership renewal. **This will be subject to RLK Management decision**

END OF YEAR FINAL PRESENTATION date will be confirmed before the end of the December of the Championship year we are in and the trophies will be awarded to drivers which have competed in at least 6 rounds throughout the calendar year. Each class requires a minimum of 3 competitors per class to be included into the trophy awards presentation. **Reference HR29 rules**
